Dedication

The class of 1963 respectfully dedicates this year's OWACHES to the tiger.

He pounces upon everyone who enters the hallowed halls of O.H.S. and fills them with typical tiger spirit. He roams through the classrooms and whispers his message to all:

Study, evaluate, learn, smile, and love, for these are the best years of your lives!

Well, we, we
had a real swell
time in year, Speech. Hope to see
you again next year.
Good luck.

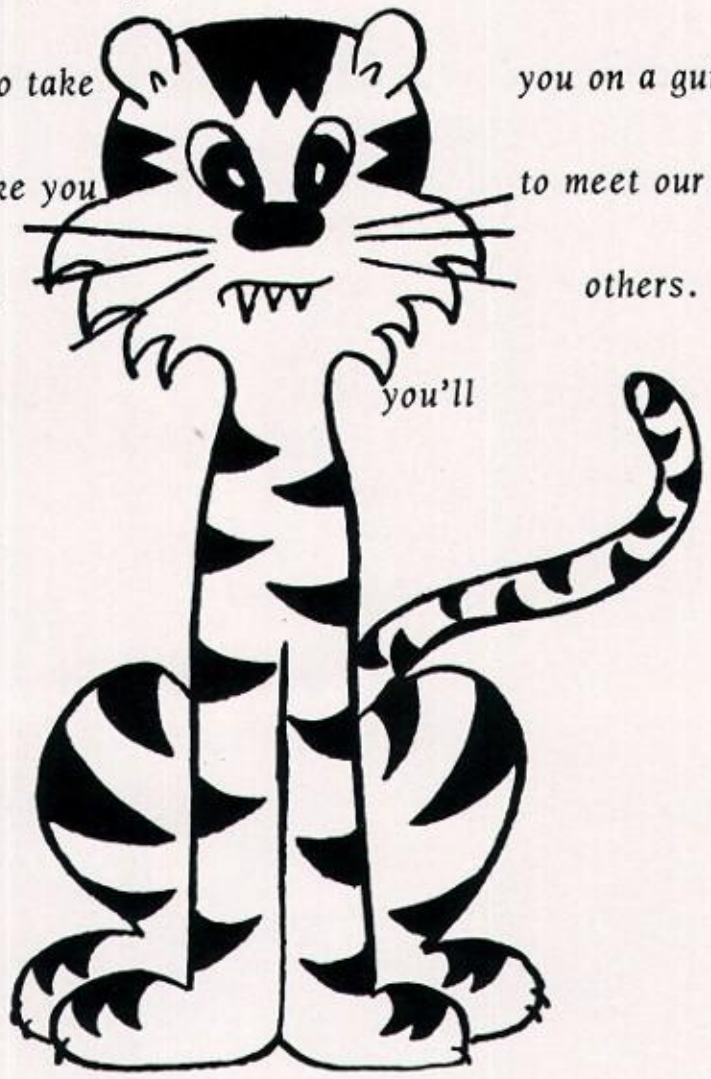
On, Ontario!-- On, Ontario!

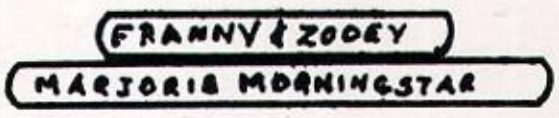
As editor of the '63 Owaches, I would like to introduce Owch, the Owaches tiger. Owch is a fine fellow. He's a four-sport man, and a member of every club in school. (Even FHA---he's an honorary member.)

This year Owch is reading Salinger, Wouk, and Christie. He's still twisting, but he's varying it with the Popeye and the Continental. (He says the twist is a good dance for people who can't walk a straight line anyway.) Owch has the distinction of having shorter chapter outlines for American Problems class than anyone else. He is down on Physics class, though, because he burned his tail on his Bunsen burner. Owch is prepared to take you on a guided tour of our '63 Owaches. He'll take you to meet our faculty, our class officers, and several others. He's ready to start, and he really hopes you'll enjoy the trip.

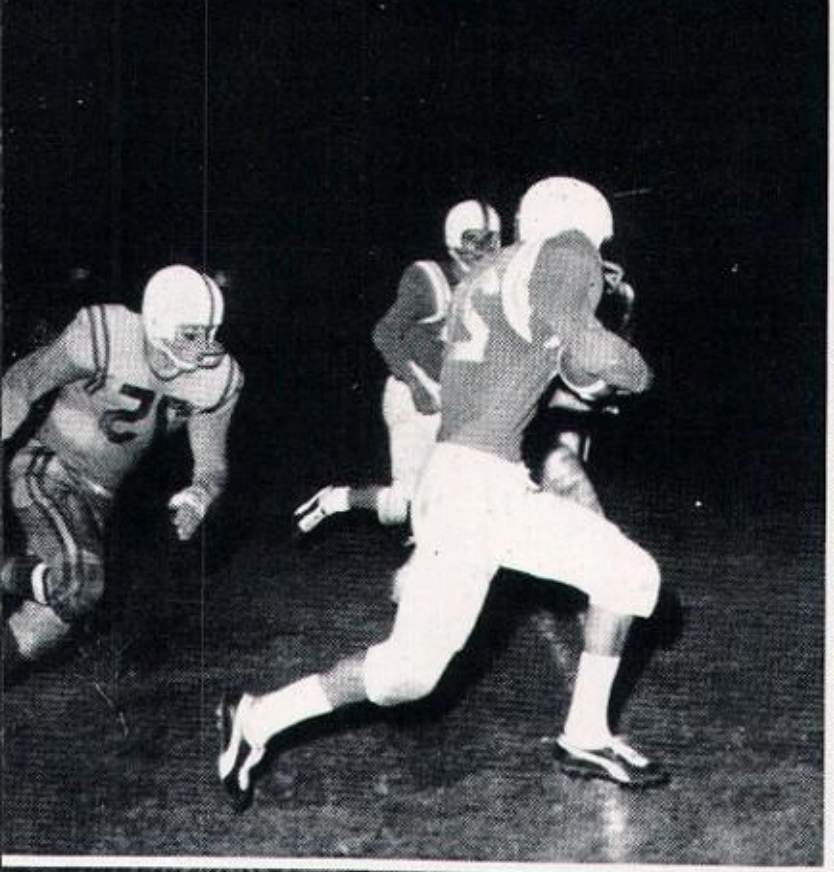


Sincerely,

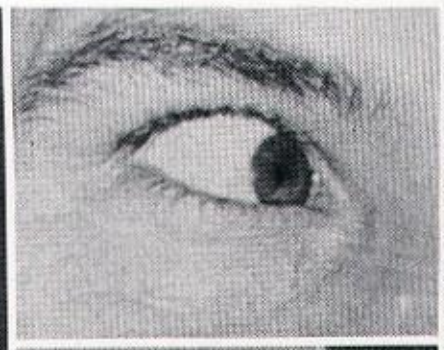
Owen E. Jocelyn

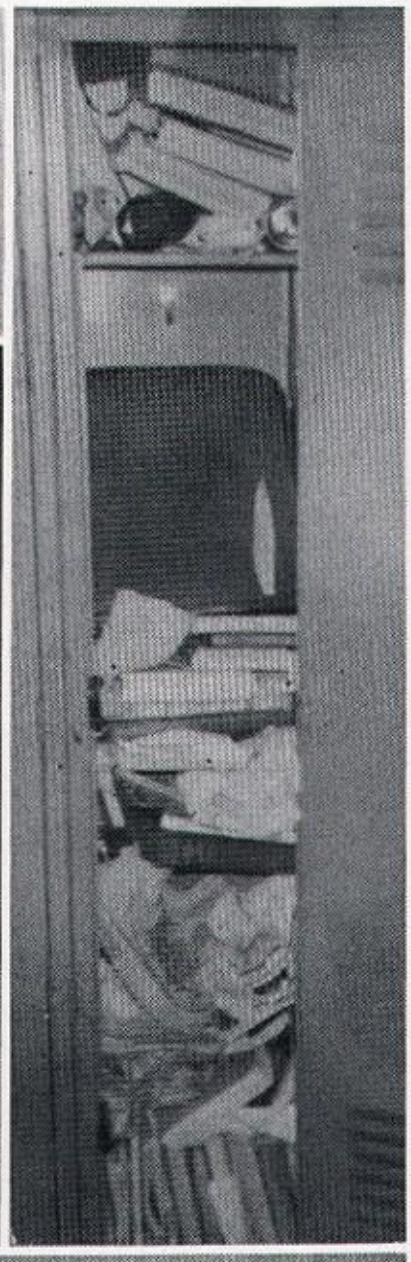


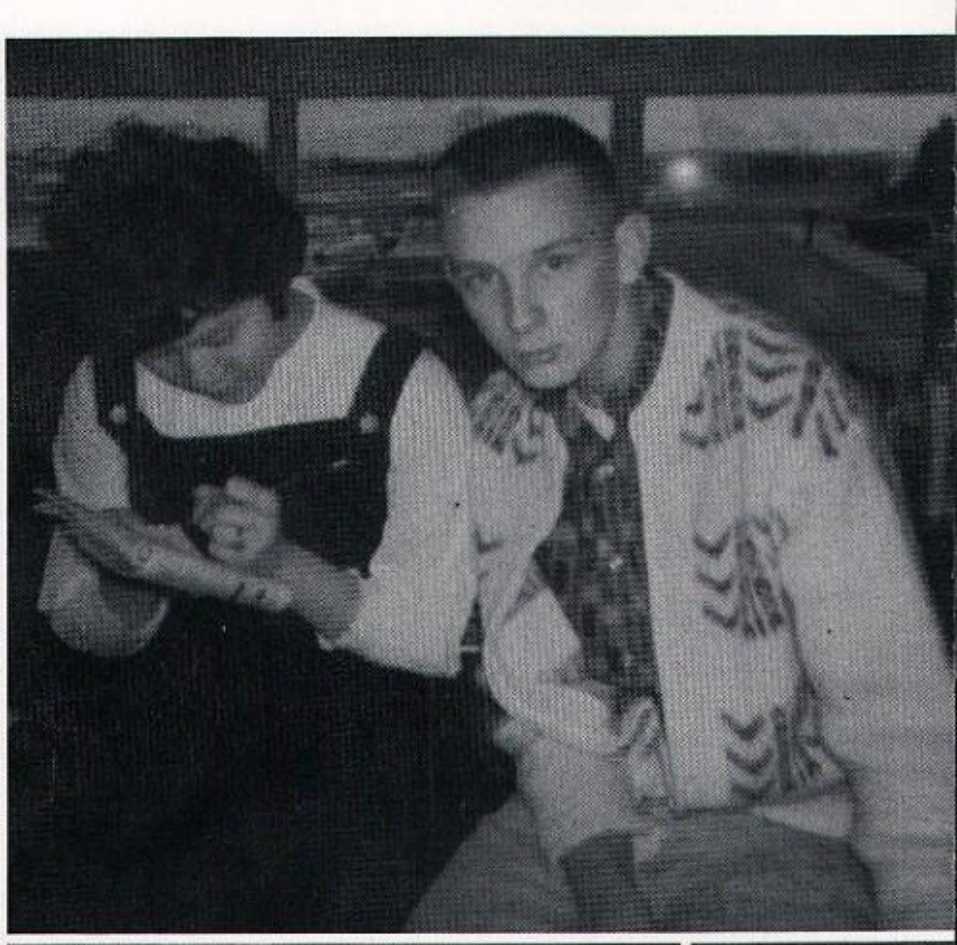
Fight on for her fame

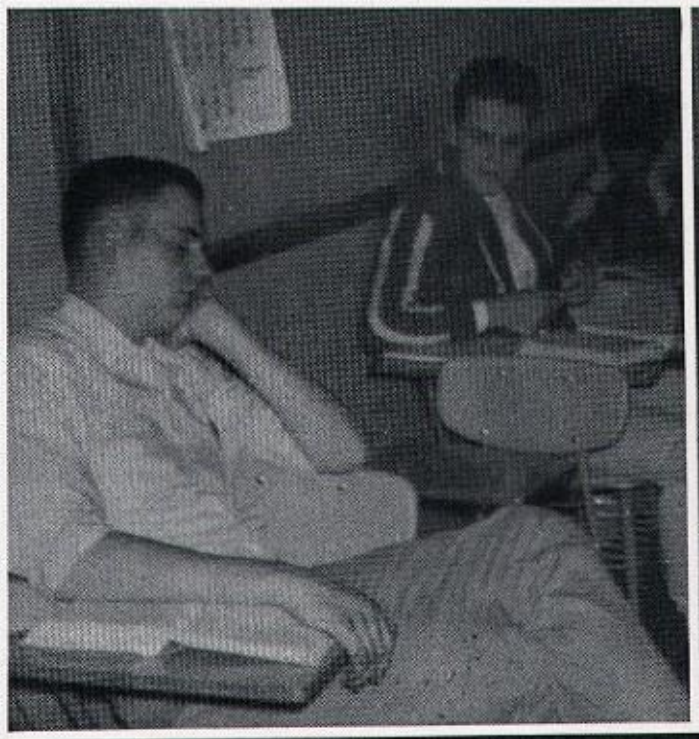


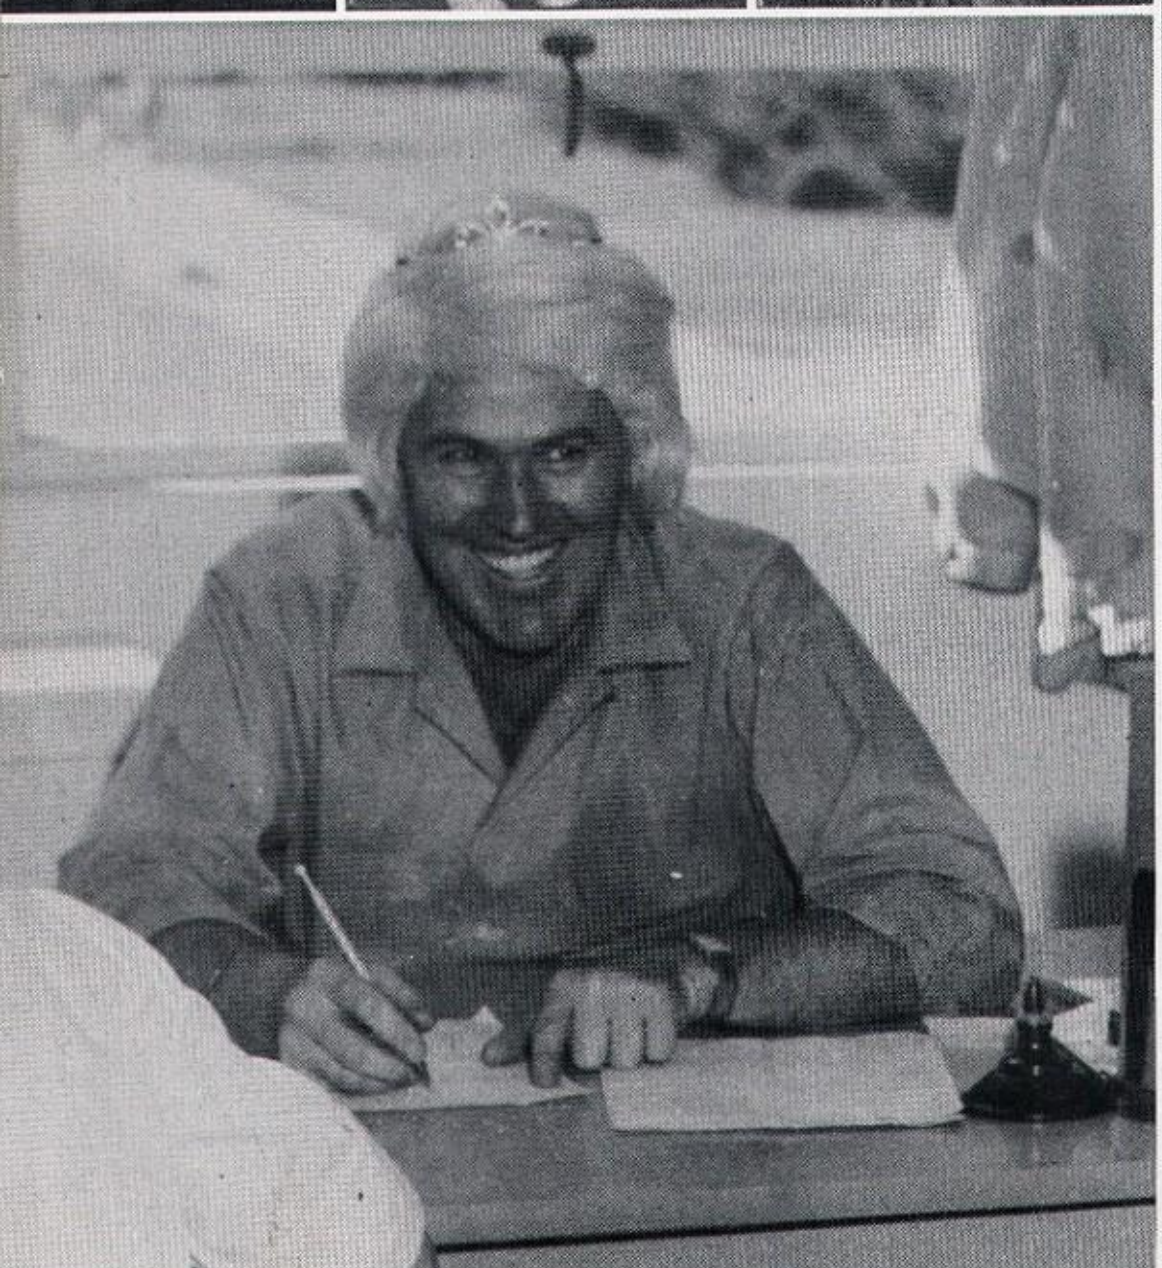
Play the Game for Dear Ontario,









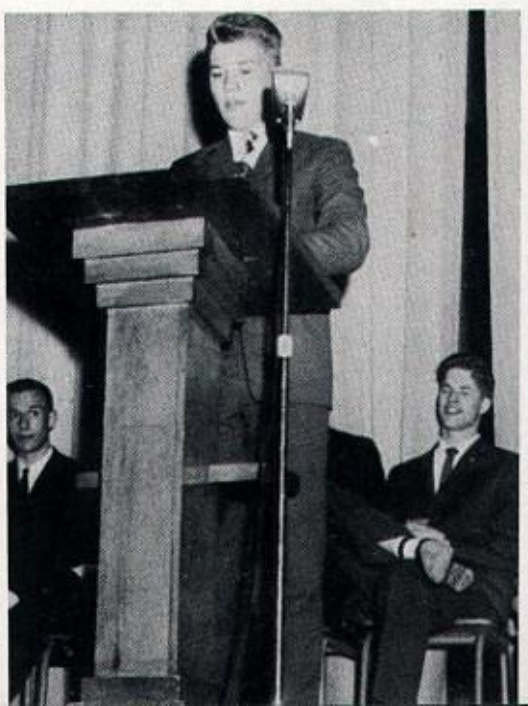


Glorify her name

"Study, evaluate, learn, smile, and love, for these are the best years of your lives." We were brought to the realization of this on September seventh when the Honorable Mark O. Hatfield, Governor of Oregon, at a general assembly at OHS, spoke on "Conservation of Human Resources," and presented to Miss Charli Harland an award for her excellent work in the 1962 national "Employ the Handicapped" essay contest. It is an event such as this that makes these years the best years of our lives.

On, Ontario! On, Ontario! Shout It to the Skies!

Fight Tigers! Fight! Fight! Fight!



for 'tario high!

Ontario High School's Principal Robert McConnaha and Vice-Principal John Cramer

A loud round of applause for these two! With all of their responsibilities and top-level headaches, they still find time for the individual student and his problems. These are the men who temper the student's ups and downs with the levelheadedness necessary for the procreation of good education and rousing school spirit.

Cooks and Custodians

These three men are always ready to help, and both students and faculty keep them hopping. They are, left to right: Joe Horner, Ray Hylton, and Harry Hostetler.

Without these four ladies, there could be some very hungry people around OHS. They are: Mrs. Childers, Mrs. Harris, Mrs. Keller, and Mrs. Hamilton.

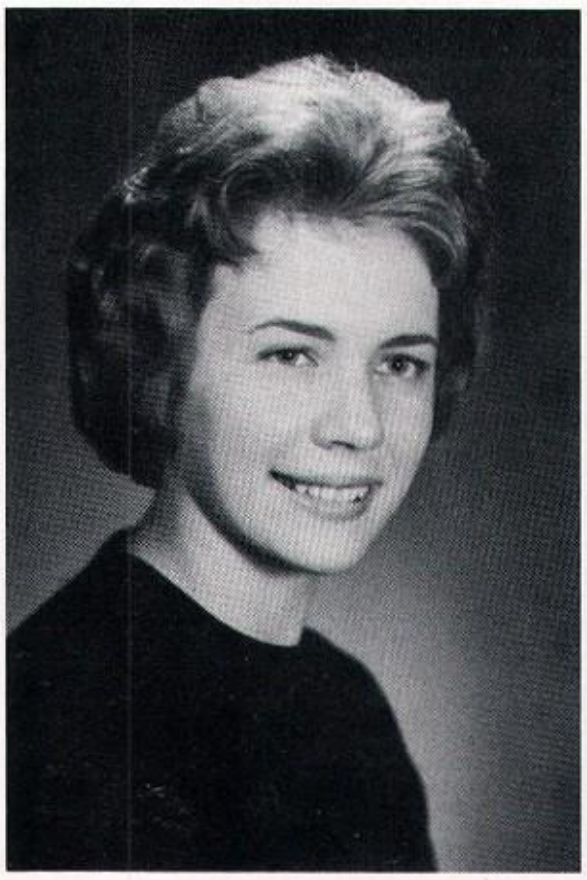
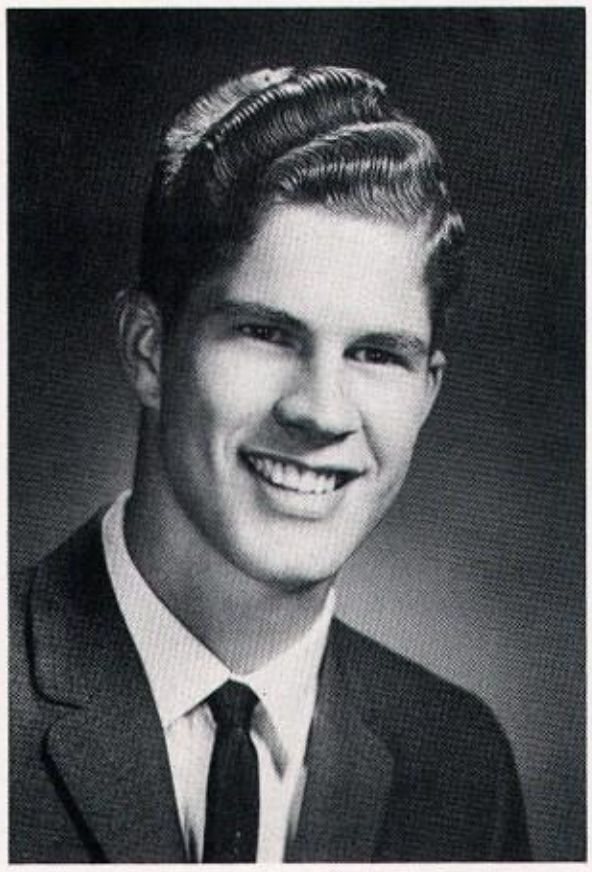
Outstanding



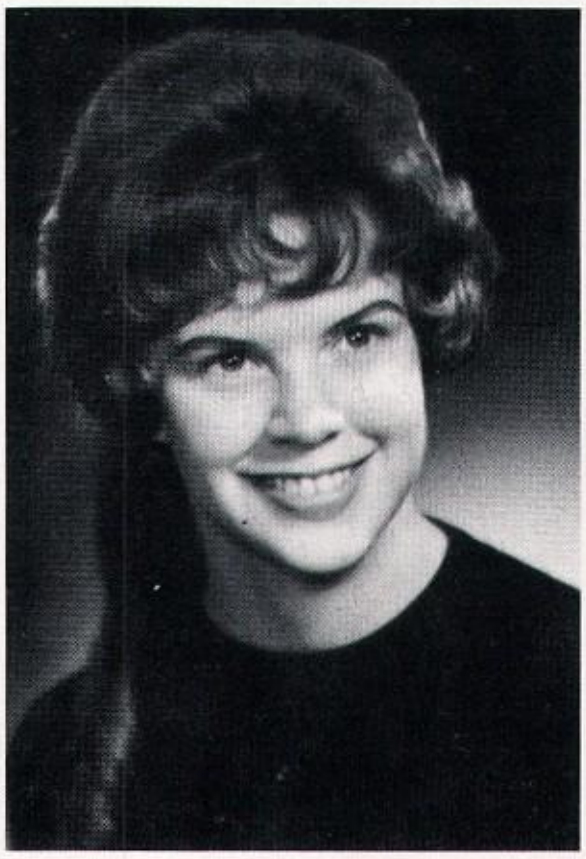
DELORES OVERMAN

A person of changing moods, Delores has a ready smile but also a hint of reserve. Highly intelligent and sure of her goal, she shows her dependability by successfully fulfilling any task set for her. As president of the FHA in her senior year, she earned the fitting honor of becoming Oregon's Betty Crocker "Homemaker of Tomorrow." Active in a limited but impressive number of organizations, Delores is a definite asset to OHS.



GARY ROLAND

Active in all phases of school life, as well as in municipal programs, tall, good-looking Gary has a personality that wins him acceptance wherever he goes. As ASB president and a member of many school organizations, Gary is kept busy, but not so busy that he can't be a member of the National Honor Society. The kind of person that is good at almost everything he does, Gary is a wonderful representative of OHS.



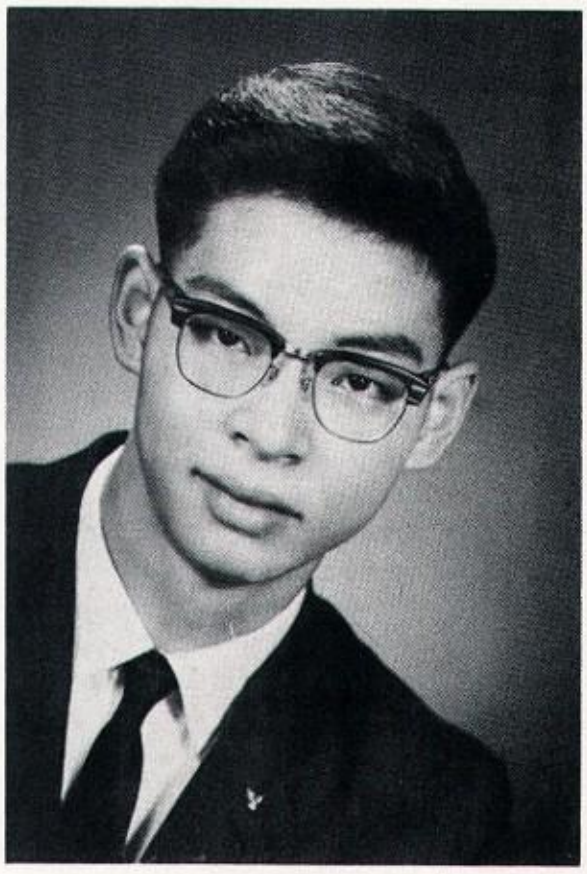
CHARLI HARLAND

At the heart of Charli's successful high school career lies a unique capability for original thinking. Her classmates and teachers all appreciate her classroom contributions. The members of the Girls' League recognized Charli's ability to generate new and different ideas by electing her president of their organization. Charli was the district chairman of the FHA, is a member of the Pep Club, and is an invaluable addition to the annual staff.

Seniors

ETHEL TSUKAMAKI

Peppy in her own patrician sort of way, Ethel is a real leader. She has a Midas touch — everything she turns her hand to comes out just right. Ethel has served as an OHS cheerleader for the past three years, and is the ASB treasurer. She has also served as Tri-State Historian for Girls' League. Always ready to work for her school, Ethel is one of our most outstanding seniors.



GENE NISHIMURA

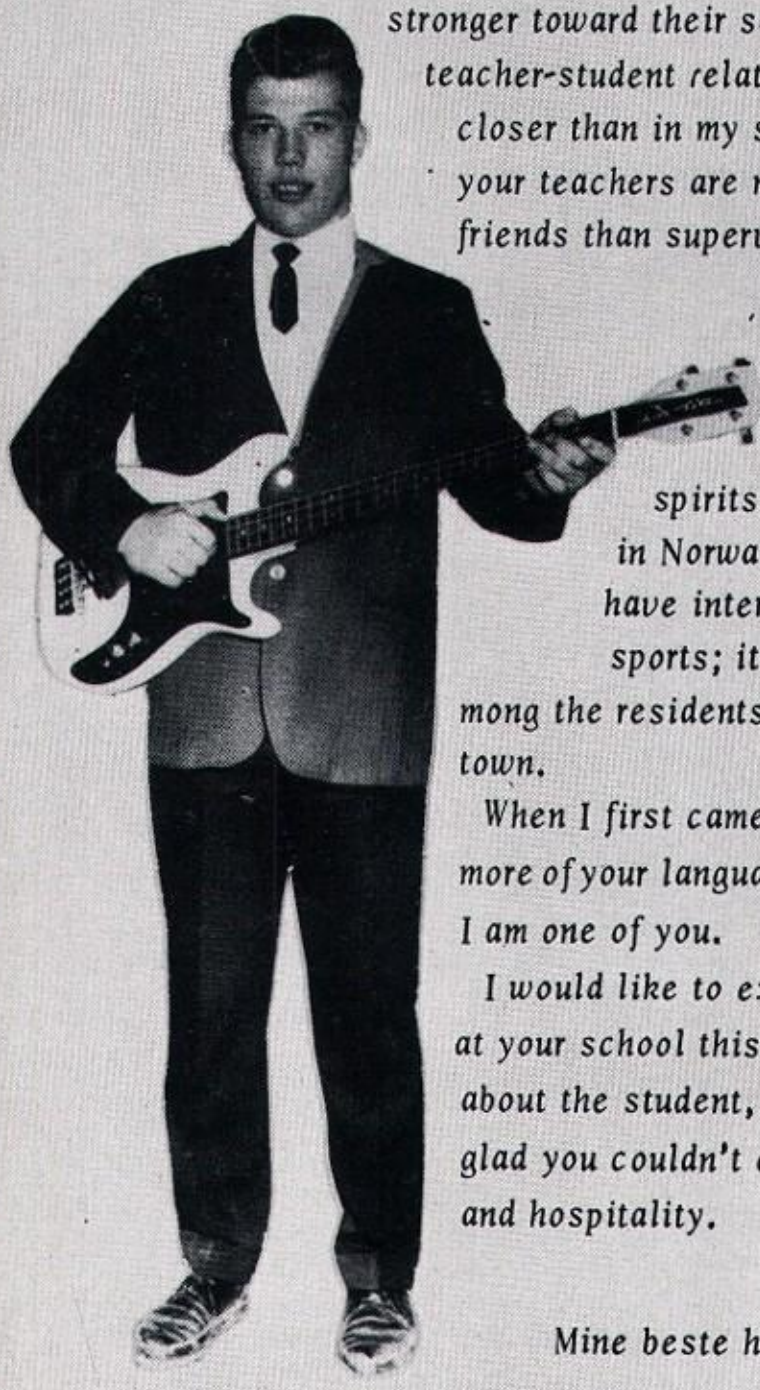
Although somewhat shy and reserved, Gene has always rated high in scholastic ability. With a grade point average of 1.05 he is the valedictorian of the senior class. Having captured the respect and friendship of his fellow students, Gene was chosen as senior class treasurer. This has proved to be a wise choice, evidenced by the fact that he rated highest in the school in the National Math test. We are all very proud of our "Geneius."

FRANCES ENOMOTO

Frances' friendliness makes her well-known and well-liked by everyone at OHS. Her energy and willingness to shoulder responsibility are shown in her fine work as assistant editor of the annual and as president of the Pep Club. Her efforts brought the Pep Club to a new high of activity and participation. Despite these and many other activities, Frances manages to keep a very respectable grade point average. Competent and lively Frances is a welcome addition to any group.

Willy fits Right in...

Willy and his "American parents"
Mr. and Mrs. Ray Tuttle.



Dear Students,

Having arrived in your school last fall as a foreign exchange student, I found it different from what I had at home. I saw that here it is not the teachers who change from class to class, but the students. Your school is about twice as big as the one I attended in Norway, but mine had three stories.

Here the spirit of the kids is stronger toward their school. The teacher-student relationship is closer than in my school----- your teachers are more like friends than supervisors. It is hard to compare the athletic spirits, because in Norway we don't have intermural sports; it is just among the residents of the town.

When I first came to your school, I felt somewhat like an outsider; but as I learned more of your language and slang the bond of friendship increased. Now I feel as though I am one of you.

I would like to express my thanks to all of you for having me at your school this year. I know that if you had had your choice about the student, you wouldn't have picked me out, but I'm glad you couldn't choose. Thanks again for all your courtesy and hospitality.

Mine beste hilsener til dere alle.

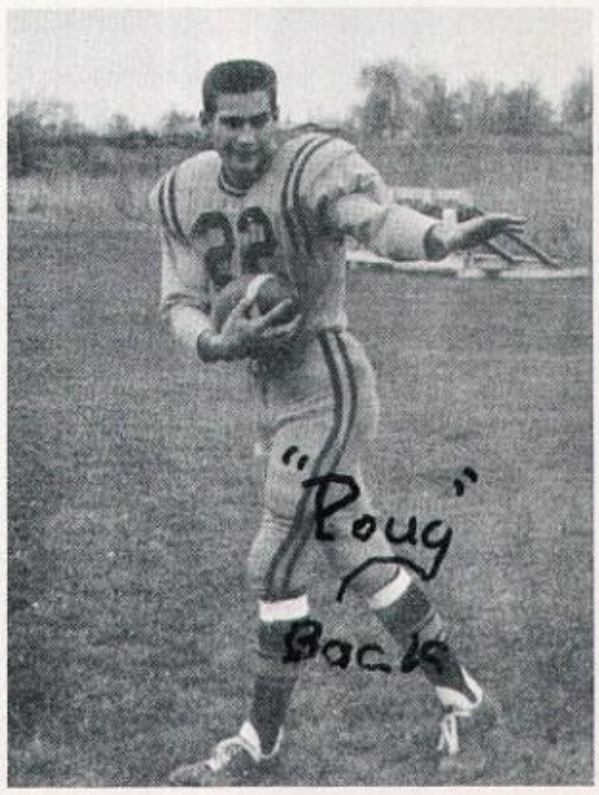
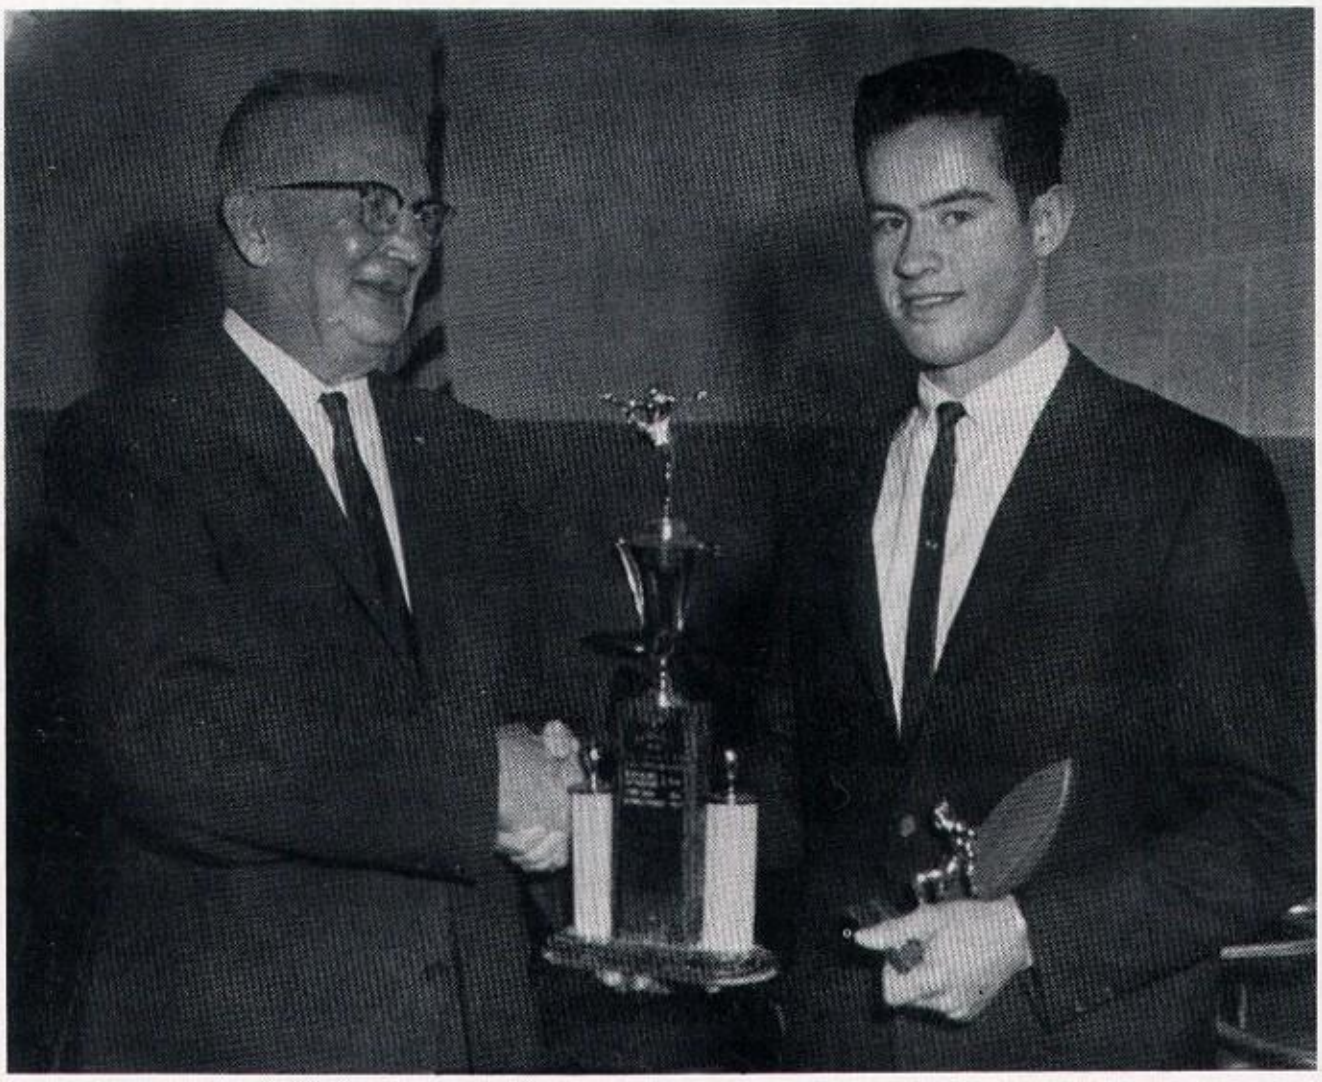
Spectacular pile-up in Parma game.



Unsurpassed Football Award



Russell Packer receives the coveted award from R. R. Robertson.

The Ontario Tiger Varsity Football Squad combined potential, determination, and the fine instruction of Coach Dar Mathewson and Coach Bob Feasel to pull in a 5-1-1 record in conference grid action to share honors with Vale for second place. The Tiger gridders proved their will to win as they held their traditional rival, the Vale Vikings, within Vale's own 48-yard line and tied 0-0 as the time ran out. Ontario's coaching staff, powerful backs, and strong linemen are to be commended for a fine job.

The Tiger Cubs, in their preparation for varsity grid action, swamped the opposition, having rolled up a total of 185 points, and allowed the losers to cross their goal only twice for a total of 14 points. The Cubs held an 8-0 record and were evidence of the fine coaching of Coaches Ed Aspitarte and Glen Crosby. Ontario can rest assured that the Tigers have the potential to carry Dear Ol' OHS to the top in league play in future years.

The Tiger basketball team, being coached by Jerry Jorgensen, woke out of a long pre-conference sleep, yawned and stretched as they entered the new year which began their SRV A play, then went to work in cutting their way through tangled opposition and battled themselves into second place in the conference. The coaching staff and the Tiger team are to be commended on their extremely fine season which took them through the season with a 11-9 record and the conference with a 11-3 record.

The Tiger baseball team of last year presented Ontario with the "conference champ" prize for the second year in a row. Also, up to now, when this annual was being written, Ontario has had a 19 conference game winning streak.

The new Tiger baseball team, which is a relatively young team, shows promise of coming through the conference play with added high ratings. The team has a great amount of capability, especially on the mound.

Ontario's pitchers, who are all juniors, have demonstrated their ability as they already have racked up an early 2-0 nonconference record. Ontario can expect a good season this year because of their depth and desire to win. The Tigers can rely upon a veteran team to put on a fine performance for the 1963-64 school year.

The Tiger Cubs, although they lost much of their team to the varsity, have shown great potential as they have crumpled the Nyssa Pups 12-5 and sunk the Payette Pirates 9-2 already this season. The Cubs lost 12 juniors to the varsity and four sophomores were graduated to the Tiger team. The young, new club has a reputation to maintain as the 1962 club left them with a 9-2 record. As early indications show, they have the power to match it or even better it.

The Tiger track team this year was a relatively new team with only six former Tiger lettermen. But with five transfer lettermen and the frosh-soph team, which last year was undefeated, the Ontario track team did a very fine job. They always made an impressive showing and are one group of fine boys of which Ontario is truly proud.

Tony,

Well, I guess I should start off by apologizing (SP) for my behavior this past week and year. I guess I just don't like kids calling me names. (any kind) I'll see you next year (maybe) as high and mighty seniors. Then graduate then we're free. This year has really been fun & fun especially in American History & in English. Have fun this summer & be good (try anyway). Best of luck to a good kid. Until Next year!

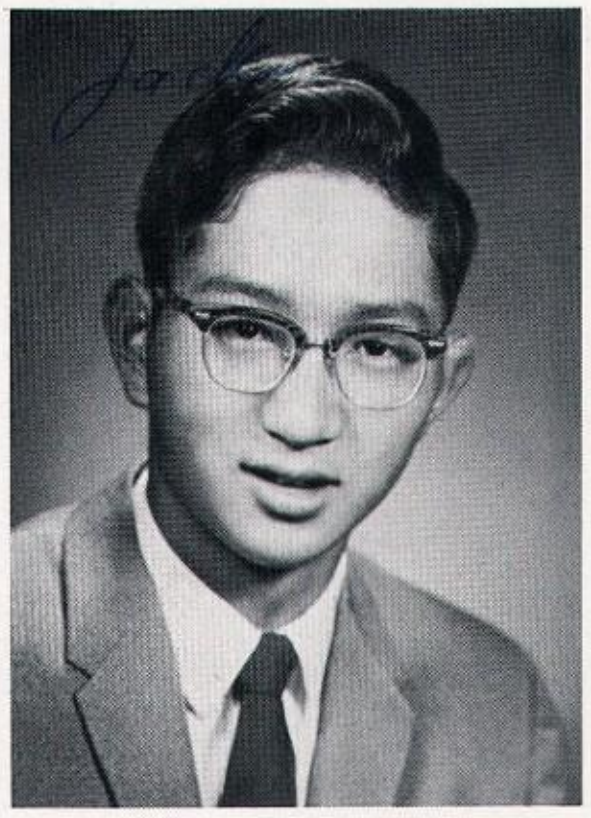
Senior Awards

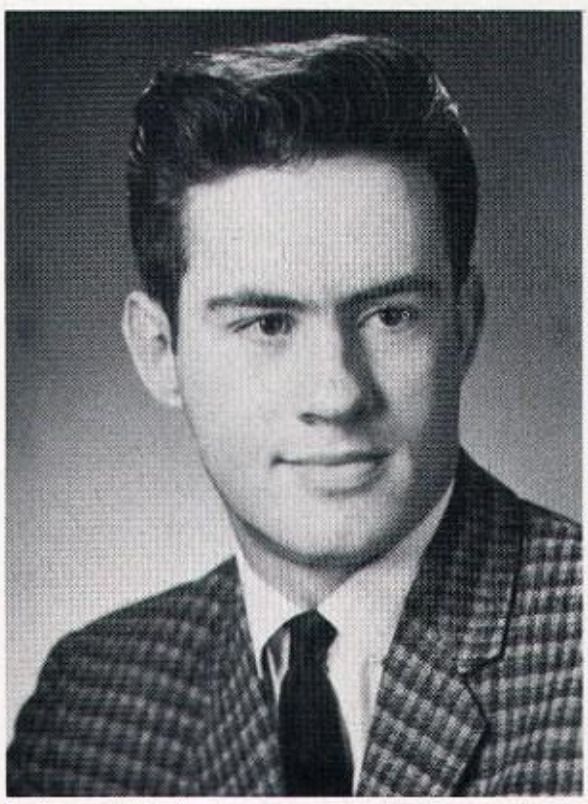
We, the 1963 annual staff, would like to acknowledge the seniors of 1963 who have distinguished themselves and Ontario High School at some time during their high school career by earning a special award.

We consider the people on these two pages to be the most deserving of our honor, respect, and recognition.

FRANCES ENOMOTO was the recipient of an annual award given by the local chapter of the Daughters of the American Revolution to an outstanding high school senior.

JACK HASEBE, a member of the Future Farmers of America, was the winner of the State Farmer Degree, given for leadership ability, community improvement, cooperation, and otherwise outstanding work in agriculture.

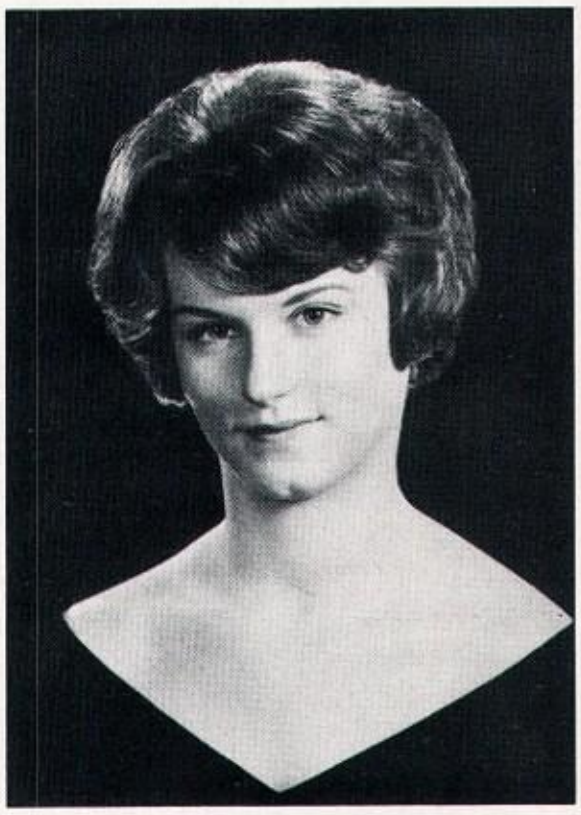




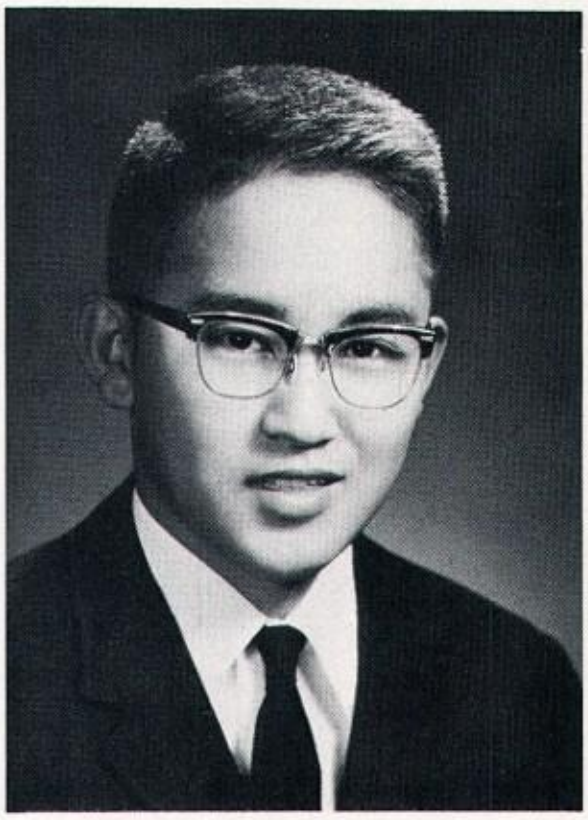
RUSSELL PACKER became this year the fourth player in OHS history to be selected as a member of the A-1 All State Shrine Football Team.

CHARLI HARLAND, in her junior year at OHS, became the national fourth place winner of the "Employ the Handicapped" essay contest, as well as being the state winner of this contest.

ETHEL TSUKAMAKI was one of the two OHS delegates to the 1962 Girls' State convention. She also entered and won the local Elks Leadership Contest, as well as entering the Elks Scholarship Contest, in which she has won first place on both the local and district levels, and placed high in the state.



CAROL BOPP was also one of the OHS delegates to Girls' State convention in Salem during the summer of 1962.



STEVE MURATA served as one of the two OHS delegates to the Boys' State convention in the summer of 1962.

BOB LEWIS was also a delegate to the 1962 Boys' State convention in Corvallis.

ELLEN NAKADA, as the district winner of the IOOF United Nations essay contest, received a bus trip through the United States and Canada, highlighted by a visit to the United Nations building and Washington, D. C.

DELORES OVERMAN was chosen this year as Miss Safety Conference here in Ontario, and she also received the top award in the local Soroptimist competition. She is the state winner of the Betty Crocker "Homemaker of Tomorrow" award.
